

Welcome to the 2022-2023 school year Raven Families

Robinson Raven Families:

Our first day of school for 6th grade will be August 10th and our first day of school for 7th and 8th graders will be August 11th. We are excited to welcome all of our students. The full day of August 11th will be dedicated to helping our 6th grade students navigate their new middle school adventure. However, we also recognize many of our 7th and 8th grade students may be attending Robinson Middle School in person for the first time and so there are various activities planned for their first week of school to ensure they are also comfortable in our building and accessing any resources they may need.

As of the board meeting on July 21st we know that masks will be optional and encouraged for students, staff, and any visitors while they are inside the building. **Please be sure your student is prepared with a mask if they elect to wear one at school.** We will keep you informed of any updates related to COVID-19 protocols as the year progresses. If you have any questions or concerns please reach out to me directly at (785) 295-3781.

Again this year we plan to offer our full array of sports activities and after school programming. Our activities coordinator, Ms. Stroud can be reached at (785) 295-3780 or kstroud@tps501.org if you have any questions related to the upcoming sports seasons. Practice for football, cross country, girls tennis, and volleyball all begin on August 15th and students who wish to participate must have all required forms completed and turned into Ms. Stroud prior to practicing with the team. If your student is interested in our STEAM focused after school program LEAP then please reach out to Ms. Howser at bhowser@tps501.org or Ms. Bledsoe at jbledsoe1@tps501.org. The after school program will run until 5pm Tuesday-Thursday. We plan to offer tutoring on Mondays until 5pm.

We look forward to seeing everyone on August 24th from 5:30pm-7pm for our Meet the Teacher night at Robinson Middle School. More information will come through our weekly Raven Report newsletter to families so please be sure your email address is up to date in TylerSIS.

If you are interested in volunteering with our PTO I want to encourage you to reach out to our PTO President Lyndsey Stamper at lyndseycstamper@gmail.com or PTO Vice President Teresa Taylor at teresa_d_taylor@yahoo.com.

Excited for an excellent year,

Timothy P. Leffert
